

Dear Business Owner,

Enclosed is a copy of an entry and a poster for the upcoming Southwick Farm Parade that will be taking place on October 14th, 2018. We are trying to support the Southwick Animal Facility and are asking for monetary donations.

We have incurred many expenses such as police, advertisements, and awards. The parade will be on Route 10/202 and will be unique in it's own way as household animals such as cats, dogs, pigs, cows, horses, oxen and tractors will be dressed, decorated and judged on their costume not their breed or condition. This will be a fun day to ride or walk your entry. Please assist us if you can. All proceeds will go to the Polverari/Southwick Animal Control Facility.

If you wish to make any donations please send or drop off to Moolicious Farm, 258 Feeding Hills Road Southwick, MA 01077

Please make checks out to **Southwick Civic Fund Inc.** and memo the check at the bottom to **Southwick Animal Facility.**

Any questions please call Bob Polverari at 413-531-0336.

Thank you for your support and enjoy the parade on October 14th, 2018 and a rain date on October 21st, 2018.
